\*\* – changes from previous list

\*Updated as of October 30, 2012. This list of legislation is a consolidation of important bills of interest to the business community, most of which are currently being considered in the 15th Congress. The compilation of this list in no way implies that all foreign chambers and business groups have approved every measure or even studied all of them. However, *Arangkada* contains a list of 41 measures that the Joint Foreign Chambers and seven Philippine business groups sent to Pres. Aquino, House Speaker Belmonte, and Senate President Enrile in Oct. 2011. In the case of this letter, there was agreement among the 14 groups to support the 41 measures except for the Agri-Agra amendments
